This is the only book on mosaics that you will ever need.By sharon wilkinsonInspiring photographs; professional-level projects; well-organized; clearly written; packed with helpful tips.

This complete resource of mosaic techniques and design ideas is sure to become your go-to reference. With clear step-by-step sequences, mosaic artist Bonnie Fitzgerald shows how to draw up an idea, cut and arrange tiles, and lay designs successfully. All tools, materials, and equipment are clearly explained, and you'll find helpful hints on setting up a comfortable workspace, as well as essential information on installing your finished mosaics. Includes 10 project descriptions, such as a mirror frame, table top, house number, and two- and three-dimensional artworks. Plus, you'll find tips and sample mosaics from some of the world's leading mosaic artists throughout the book!

**About the Author** Bonnie Fitzgerald is a professional mosaic artist and educator. She is the founder and owner of Maverick Mosaics, a studio dedicated to teaching the art of mosaics. Bonnie teaches at many locations, including the Smithsonian Institution in Washington, D.C., and leads international workshops and travel adventures. Her company also fabricates architectural mosaics and designs and creates commissioned mosaic artwork for interior designers, landscape architects, and private clients. As a past executive board member of the Society of American Mosaic Artists, Bonnie has long been instrumental in raising awareness of mosaic as an art form. She is the author of 300+ Mosaic Tips, Techniques, Templates and Trade Secrets, also available from Trafalgar Square Books.
