**Barbara G. Walker : Charted Knitting Designs: A Third Treasury of Knitting Patterns** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Charted Knitting Designs: A Third Treasury of Knitting Patterns:

The designs in this book span all aspects of knitting. They are all charted designs with only a few exceptions. I have found both designs and techniques in this book that I have not found elsewhere. If you have a chance to buy this book and you are a knitter, you cannot go wrong with this purchase. 0 of 0 people found the following review helpful. Barbara Walker's patterns are wonderful. By Elizabeth Stoddard This is great - I bought all of her patterns for myself and am giving a friend this one. I have used them to make several items and it has taken my work to a new level. 0 of 0 people found the following review helpful. Five Stars By DeutschReader Every knitwear designer needs this book- gotta love those charts!

This is the third of three knitting patterns books published by Schoolhouse Press and by Barbara G. Walker. It contains

350 different charted designs, including: How To Read Charts, Textured Fabrics, Twist Stitch Patterns, Cables, Closed-Ring Cables, Lace, Lace Panels, Mosaic Patterns, Color Patterns, and Uncharted Miscellany. Illustrated with photographs, diagrams and charts. Includes index.

From Library Journal The three volumes comprising Walker's knitting treasures, published in 1968-72 by Scribner, have long been out of print. They have recently been reissued by Schoolhouse Press and should be seriously considered for purchase by large public libraries and textile collections. Copyright 1998 Reed Business Information, Inc.
